

Memorandum

Date: November 18, 2013

To: Honorable Chairwoman Rebeca Sosa
and Members, Board of County Commissioners

From: Honorable Carlos A. Gimenez 
Mayor

Subject: Launch of Geospatial Website of Vacant Industrial and Commercial Properties

Please join me, Vice Chair Lynda Bell and The Beacon Council's President and CEO Larry K. Williams for the Launch of the Geospatial Website of Vacant Industrial and Commercial Properties on Tuesday, December 3, 2013, at 12:00 p.m., at the Stephen P. Clark Center, 111 NW 1st Street, 2nd Floor Media Room, Miami, FL 33128.

The www.miamidadesites.com website depicts available vacant industrial and commercial properties. It is based on user-defined criteria for Miami-Dade County utilizing geographically based demographic and business information, and also enables broker registration to highlight available parcels.

The website is based on a directive from Resolution R-250-13, prime sponsored by Vice Chair Lynda Bell and approved by the Board of County Commissioners on April 2, 2013, that requested the development of a geospatial layer analysis and database of vacant industrial and commercial lands. This geospatial instrument is meant to assist The Beacon Council and other economic development organizations in their mission of attracting business development to Miami-Dade County.

If you are attending or need additional information, please contact Eddie Borrego at (305) 375-5218 or Suzy Trutie at (305) 375-4883.
